Subject: Subpart W Draft Rule
Attachments: EO_12866_Subpart_W_2060_AP2_Clean 12_20_13.docx

Hi Tony,

Attached for your information is the most recent draft of the Subpart W rulemaking. This version has been reviewed and approved by OGC and NRC, and we are waiting for OMB approval to upload it into ROCIS. I think its probably been a while since you've seen it, so I thought this might be a good time to send it your way.
